Our President's Message

We will be glad to have you with us at our Tenth Semi-Annual Sale, at Rockport, Missouri, on October 4th. We will have an excellent offering of cattle from the leading herds in Northwest Missouri. Included will be a nice offering of bulls, some excellent breeding heifers, and several mature cows, some with calves at foot, and rebred. You are invited to attend the Show and Sale, and if you wish, the Banquet to be held the night before at Rockport, Missouri. Make your reservations for the Banquet with our secretary.

NORRIS W. BROWN, President

From the Secretary

If you will come to our Show and Sale, we, the members of the Northwest Missouri Shorthorn Breeders Association, together with the City of Rockport, and the Sale Barn personnel will try to make it a pleasant day for you; and if you will buy some cattle, it should be a profitable one, also.

Our cattle have always sold conservatively. In this sale there are more cows than usual, and cows have always been the special bargains in our sales.

Since we have started having sales, the members of our Association have improved their herds by buying sires of excellent type and quality. The sale cattle have shown much improvement since our first sale which indicates we are making progress and which gives the buyer a better place to make his purchases.

So please try to spend a pleasant and profitable day with us in Rockport, Missouri, on October 4, 1948.

JAMES MEYER,

SALES MANAGER

MARYVILLE, MISSOURI, Rt.1

Shorthorn Show

This show and sale is co-sponsored by the Missouri State Board of Agriculture, Rockport Community Club, and the Northwest Missouri Shorthorn breeders Association, Inc.

MISSOURI STATE DEPARTMENT OF AGRICULTURE AWARDS

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as blue ribbon, red ribbon, and white ribbon animals, their respective earned ribbons and a cash premium of \$6.00 for Blue, \$4.50 for Red, and \$3.00 for White.

These awards are made possible through an appropriation by the Missouri Legislature to encourage the production, distribution, and use of better breeding animals in Missouri.

BLUE RIBBON Animals are excellent individuals.

Only animals of outstanding quality, unusually good type, symmetry, and conformation, in sufficiently good flesh and adequately fitted to demonstrate fully their qualifications will be placed in this group. These are animals of unusual merit that would in every case be a valuable addition to the top breeding herds of the state.

RED RIBBON Animals are superior individuals.

Only animals of superior quality, of good type, and without any major defects, plainly demonstrating the superiority of their qualifications will be placed in this group. These animals should be sufficiently good to improve any commercial herd and most small breeders' herds.

WHITE RIBBON Animals are good individuals.

Animals of somewhat less desirable type and with one or more rather objectionable characteristics may be placed in this group. These are animals that would improve commercial herds and would in every case be superior to grade and scrub animals.

Unworthy animals will not be classified.

ROLLO S. SINGLETON, Superintendent of Show

Judge—LLOYD DAVIS, Oakland, Iowa.

Parkdale Golden Fame 22d is, I think, one of the best calves we have ever had sired by Helfred Golden Fame. He is very dark red, out of a dam of the same color. He is the same breeding as the Grand Champion female at Rockport last year. This heifer was later sold to Arnold Bros., Sterling, Illinois. This is a wonderful prospect for a herd bull.

Rosewood Leeway 3d is one of our best breeding cows, evidenced by dark red bull at side, born June 16, 1948. Her last year's calf, Leeway Level, No. 13, is one of the good bulls in this sale. These last two calves show how she produces and we have two of her heifers which are not for sale for they are the kind Shorthorn breeders most desire. This cow will be rebred to the sire of her two calves in this sale.

The grand-mother was a top cow in last fall's sale and went to Carl Nauman, Mound City, Missouri for \$405.00. This cow has a dark red heifer calf at foot born August 22d, sired by Margaretoss Aspiration. We have two of her daughters in our herd or we would not be selling this most valuable pair.

I believe this is the best prospect for a herd bull that I have ever sold in our Association Sale. The 1947 heifer out of his dam was Reserve Champion and top selling female in the 1943 Spring Sale at Maryville. He is bred the same as the Grand Champion 4-H calf in the 1948 Rockport show, and sired by the same bull.
